About Us

We are a busy, fast-growing rural health clinic dedicated to providing exceptional care to our community. We are seeking a detail-oriented, motivated Community Health Worker to join our team and support our mission of delivering high-quality healthcare services.

Position Summary

We are seeking a compassionate and motivated Community Health Worker to engage with community members to support individuals in navigating healthcare services and other needs. This role involves outreach, counseling and collaboration with healthcare professionals to promote overall community wellness.

Key Responsibilities

- Conduct outreach and engage with community members to provide health education and resources.
- Assist individuals in navigating the healthcare system, including Medicare enrollment and understanding medical terminology.
- Provide support and counseling for individuals struggling with addiction or other health-related challenges.
- Collect data and maintain accurate records of client interactions and outcomes.

- Collaborate with healthcare professionals to develop and implement health promotion programs.
- Conduct public speaking engagements to raise awareness about health issues and promote community wellness.
- Utilize motivational interviewing techniques to empower individuals to make positive health choices.

Qualifications

- Strong knowledge of Medicare and experience working with diverse populations.
- Excellent communication skills, both written and verbal, with the ability to effectively engage individuals from various backgrounds.
- Familiarity with medical terminology and the ability to explain complex medical concepts clearly.
- Experience in addiction counseling or related fields is highly desirable.
- Ability to work independently, prioritize tasks, and manage time effectively.
- Strong organizational skills with attention to detail for accurate data collection and record keeping.
- Compassionate, empathetic, and non-judgmental approach to working with individuals facing health challenges.
